

## FEINMETALL Singapore Pte. Ltd. successfully audited according to ISO 9001.

We gladly announce the successful auditing of FEINMETALL Singapore Pte. Ltd. With this step we guarantee our Asian customers top quality semiconductor products in the Wafer - Probing technology.

Guided and supervised by experienced colleagues in FEINMETALL headquarters in Germany, FEINMETALL Singapore Pte. Ltd. introduced an enhanced Quality Management System within the shortest possible time.

Since 1<sup>st</sup> March 2008 FEINMETALL Singapore is a qualified production centre integrating itself completely within the FEINMETALL global corporate structure and production capacities.

The respective tests were performed in accordance to the stringent rules of the TÜV certification body in Singapore.

The ISO 9001: 2000 certificate qualifies the FEINMETALL Singapore plant for establishing and applying a Quality Management System in Singapore for the **Provision of Design Manufacture, Repair and Servicing of Probe Cards and Accessories.**
